

Welcome the FRA Website!

The FRA website is a great tool to connect to your child's academic progress. Parents have access to schedules, grades, textbook information, etc. In addition, you can update your biographical information using our student information system. The student information system allows FRA to keep up-to-date on address changes, phone numbers, and other bio information regarding your family.

FRA Parent Portal Login Instructions

Family Username: gototheloginsupportlink

Family Password:

Directions/Comments:

1. Go to the FRA website at <http://www.franklinroadacademy.com> and click on "Parents". The first thing you are going to see is a listing of links related to you as a parent. Some of the links require a login. If you are prompted to login use the information provided on this document. To login to the portal, enter your username and password in the box located at the top left of the screen (see picture above).
2. Enter the username and password text written above and click "Submit".
3. Once you login, you will be directed to the "Technology New Families" page. Below is an example of what you will see:
 1. **Student Information Form:** Click on this link to update your biographical information. The system will prompt you for the same username and password as the portal. Login and complete the online forms. This will ensure that your family information stays up-to-date with FRA. FRA uses this system to send out emails, letters, phone contacts, and medical information.
 2. **Faculty Directory:** Check out the teachers and their website by going to this link.
 3. **Back to School:** Check out this link for beginning of school procedures. Remember this is an ever changing list. Check back often for up to date information.
 4. **Tablet PC Order** (7th to 12th grade ONLY): Check out this link to order your tablet computer and review summer orientation (pick-up).

Beginning **August 2nd, 2010**, the portal menu will change so that you can see student schedules and order textbooks.
